Great looking package, I was just wondering why it is not JENNY GUCCI , I will speak to Ed today if I can to verify this. What do you think? I am always called Jenny and also other projects that are in the pipeline come with the tag jenny. Let me know before you go ahead with anything printed, just in case. Talk soon . best j

>>hi avi,
>>
>>attached, please find the jennifer gucci package with the revisions we
>>spoke about yesterday.
>>
>>- the name 'jennifer gucci' is bolder.
>>- the thread count and fiber content is changed to white.
>>- new back design with photo of jennifer gucci.
>>- a new jennifer gucci signature was crafted.
>>- 'no affiliation to gucci' disclaimer is added.
>>
>>unfortunately, i haven't figured out how to incorporate the QUEEN/KING
>>sticker information yet.
>>however, i hope that at least the design can be shown to reflect where we
